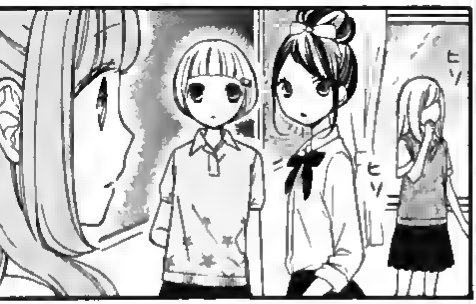
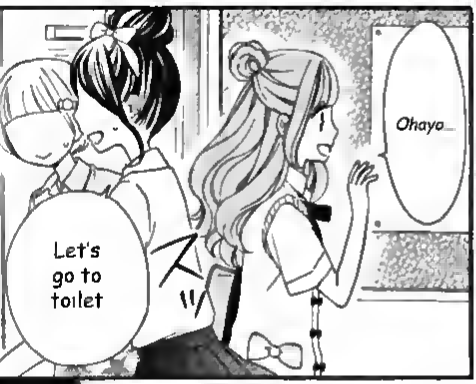
Eh, really?
1 - 3
Yuyu-chan did?
But everything, Yuyu just wanted to make Nana-chan turns back to Yuyu."
"Yuyu
has done a lot of bad things to Nana-chan."

If that's true, isn't she scary?
Abaut she liked Shiaka-kun was alsa a lie, she said
I saw it when she said that, after all
She said that she'd been harassing Kuriyama-san..
It's true!
About yesterday
is already circulated to the whole class...





completely alone in the class

Yuyu became

she'd definitely try to talk to me, but now...
Usually, at time like this,
ヒソ

They are avoiding Yuyu, after all
At least, something like this...
Everyone already returned to the class just now...
Nana-chan tao, it's okay if yau go ahead as well

It's also my duty
...Arigatou!
...Nana-chan always
cares about Yuyu, doesn't she?

To that kind Nana-chan, Yuyu was always hurting her
Yuyu is really sorry
...I
I'm going to clean up over there too

Eh,
Yuyu-chan is?
Everyone is avoiding her,
and gossiping about her
Is that so
If I'm thinking what had happened,
what happens to her now is no wonder
At the first place, Yuyu,
she did them because she likes me

"If Yuyu did this,"
Some-how,
It's like, I can't blame her...
Seeing Yuyu said the truth in the front of everyone,
and she seemed really reflecting for whot she hod done too,
"Nana-chan will definitely save Yuyu, after all!"
I'm storting to wonder if I should keep ovoiding her or not.....
Nana-chan...!

...I
saw her
ドキン
Himari-chan?
Eh?
All this time
I've been helping her to make up with Nana-chan, but...

Even Yuyu can't erase the truth the she already said
But,
I da understand that she really became alone
What should I do...

Shioka-kun
What,
yours is posted, Kuriyama?
!
N-
no, it's not
He's surprising me...!
Shi-
Shioka-kun, who did you write?
Me?
so, it's Kojima's that is posted
-Aah,

So he has a big brother...!
He's 3 years above me,
we sometimes fight. but he's good at taking care of me
Hee
Aniki
Well, just my imaginary, though
Eeh!?
A lie!?
The teacher found out and he was very angry
it's not something that you can decide by your own, right
Moreover,
Something this embarrassing, there's no way I can write it seriously
Ugh
wrote it seriously

That's why, that person is really important
They who seriously wrote this, it's olso by the person they wrote obout
That's right

For Yuyu,
and for me,
our most important is....
家庭科室
Everyone, let's start the food preparation
ご飯
豆腐とワカ
Please be careful when using the kitchen knife, okay
What should I do
*H.E. Room

Yuyu-chan
It's dangerous, we will be the ones who bring the plates, okay
...Ari-gatou
Then, Yuyu will cut the vege...

Kuriyama-saan!
Give it to me
Can you cut the vegetables?
Ah, okay...
Are
This is...
Then, what should Yuyu do?

It's okay, Yuyu-chan~
You don't need to do anything!
Really, it's okay!
But...
It'll be troublesome if the taste is bad like the one in the orientation, after all

Eh...
Ah,
ぱっ
then, Yuyu will be the one who washing things, right!

Eh,
stop it, will you...
Ne,
isn't she crying there?
You there, what happened?
You're making us like the one who are bad!
We are just saying the truth.
This is same
with what happened to me at the orientation
I became "the one who did bad",
and everyone were blaming me

Yuyu, you'll do the fish...!
Some-thing like that,
I don't want it happens anymore
Yuyu is good at cooking, right?

When I came to play to Yuyu's house, she was often helping making the dinner
Yuyu is good at using the kitchen knife,
and at Valentine, she often gave me friendship chaca that she made herself
Wait,
Kuriyama-san, don't decide it as you please
Fish is the main, right!
Moreover,
Yuyu already promised
that she won't purposely do unpleasant things again

It's definitely going to be delicious,
I guarantee it!
If until Kuriyama-san said it that much...
She was the victim after all...
Eh...
Haa...
Nana-chan,
arigato

Itada-
kimaasu
もぐ…
…It's
delicious

キーン コーン
Nana-chan!
For just now, thank you very much
キョトン
As Yuyu though, Yuyu believed that Nana-chan would save Yuyu!
...That's because
I thought that was wrong

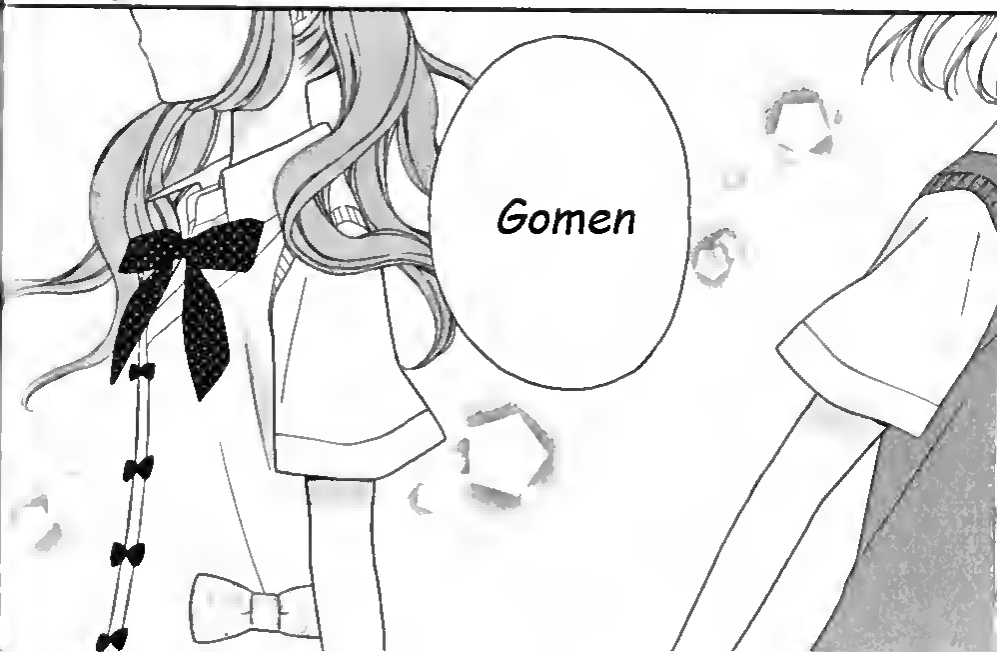
I...
Won't be avoiding Yuyu anymore
But Yuyu was very happy because of that
About all this time too,
I'm thinking of forgiving them
Then...

But,
I can't be with Yuyu anymore

Even until now, without changing, Yuyu is always definitely be there for me
But
I don't want
It's true ot thot time,
we thaught each other wos the mast importont for us
Eh...?
If I'm with Yuyu,
I'm sure thot I'll only return to my old-self
I
can't return Yuyu's feelings with the same way
Himari-chan to get involved anymore

Because now, Himari-chan is the most important for me

Yuyu loves Nana-chan



Gomen
